There are tentative five in-class team assignments. Both the lowest of the team grades and homework grades will be dropped. Your grade on the three exams will not be dropped under any circumstances. Homework assignments should be turned in at the beginning of the class on the due date. Late assignments will not be given any credit. If you have a conflict (3 or more finals on the same day), let me know during the first week, so I can make arrangements for a different time for you. Also let me know the first week if you need special accommodations for test taking.
