

NOTE: 1) The final exam date is: Tuesday December 13th 4:30pm-7:00 pm. All exams are in our usual classroom. This information is repeated at the end of the syllabus..

"Score 1": .25(1st Mid Grade) + .25(2nd

"Score 2": .3(2nd Mid Grade) + .5(Final

"Score 3": .3(1st Mid Grade) + .5(Final

Hence, if you "mess up" (or miss) either dropped the comprehensive final is we or make-up midterm exams, since the for missing one exam in any event. Show TA) to get a copy of it and take it under web (you will know in this way how yo answers to midterm exams promptly af can immediately know how well you d circled answers on the test booklet!).

The University of Colorado does not al (unfortunately) little incentive to n difficulty--since I believe in creating an the two midterms out of the final! [Not

economics but still gets a grade of B or better spends nine hours of the classroom].

2) Do you come to class? [This is more valuable than is the case for some courses...anecdotes make the material more understandable].

3) Do you come prepared? [Stay current. If you are studying Chapter 3 when the lecture is on Chapter 6, it will harm your performance. W

Demand, Supply, and Market Equilibrium (maximizing and coordinating). The "shifts" versus "movements along" confusion clarified. From individual to market demand. Price controls. Elasticity. Government policy applications (farm policy, rent controls, minimum wages, tax incidence, prohibition of goods). One reason why some don't
