

Economics 481200 Introduction to Econometrics  
Summer 2016B Term  
University Of Colorado at Boulder  
Professor Joe Craig  
Office:  
E-mail: [jcraig2@uccs.edu](mailto:jcraig2@uccs.edu)  
Office hours: MTWR 1100-1230 and by appointment  
Lecture: MTWRF 1245

Examinations and quizzes: The exams and quizzes will take place during regular class time in the regular class room on the dates listed below. Dates and exam dates are tentative. They will be a combination of multiple choice and short answer questions. A calculator (no cell phone calculators) is permitted. Exam and quiz questions will be based on material covered in class.

Make-ups for any exam are allowed only under compelling circumstances. If you have such a compelling circumstance, you are almost always required to make arrangements before the exam. Typically a make-up exam will be given within two weeks of the original exam date.
