## **Participation & Attendance:**

Your active participation is a public good. For the class to succeed, student participation must be of both high volume and high quality. To help prevent a market failure leading to the under provision of this public good, the importance of participation is reflected by its being a significant portion of each students grade. Regarding attendance, students can miss one student lecture/paper presentation without penalty. Beyond this point, each missed class will reduce your participation and attendance grade by 2 points (out of a total possible of 30).

## **Plagiarism**

Plagiarism is an academic offense and any student caught cheating or plagiarizing will be sanctioned. If you are unsure or uncertain about what constitutes either cheating or plagiarism, please consult me or the University of Colorado Catalog 2004-2005.

## **Students with documented disabilities:**

Students with documented disabilities: who may need academic accommodations should speak with Markusen or Walsh during the first two weeks of the class (no later than February 3). Please, see also the Coordinator of Services to students with disabilities in the Disability Services Office, Willard 322 (phone 303-492-8671), so that such accommodations may be arranged.
