Fall 2010  
MWF 11-11:50PM

There is no excuse for missing an exam unless there is a documented medical or family emergency. Note that you are required to submit documentation of any emergency. In all other cases, failure to take an exam will result in a zero for that exam. If a legitimate emergency arises, other exams will be re-weighted. No make-up exams will be given. If you foresee any legitimate conflict with the dates of the assignments or exams, please see me at least two weeks beforehand or as soon as possible.

If you miss a class, you are responsible for obtaining notes on the material we covered from another classmate. I encourage you to come to my office hours to discuss the material you missed, but not before you have gone over the material yourself through notes and the textbook if necessary.

Throughout the semester, we will do in-class exercises that will help prepare you for exams while also encouraging you to think on your feet, work in groups, and possibly present your work to the class. These exercises may not be formally graded, but I will count your level of
