Teaching Tools is sticking around!

While [Buf Portal](#) is replacing the student side of MyCUInfo on December 30, Teaching Tools in MyCUInfo will still be used for teaching purposes. That means you'll keep using Teaching Tools for things like accessing your class roster and email list.

Access Teaching Tools through Buf Portal (bufportal.colorado.edu) or continue going to MyCUInfo (mycuinfo.colorado.edu).

You can use the main menu in Buf Portal to search for Teaching Tools.
